Possibilities Abound.

You complete our circle.

“Abound was able to step in where his bank would not...”

Not only has Abound helped me with my finances, I'm passing the Credit Union's benefits along to the next generation. I referred my son to Abound after finding out he was paying 24% for a loan at another institution! His bank wouldn't help him refinance to a lower rate due to his youth and lack of credit history. Abound was able to step in where his bank would not and lowered his rate by 11%. That's a total savings of \$4,500 over the life of my son's loan.

“Swimming in debt... Abound is phenomenal.”

My husband and I were swimming in debt. We'd accumulated \$100,000, including several credit cards with interest rates above 20%. Turning to Abound was the best decision we made. They helped us consolidate our bills and pay off debt at an affordable rate of only 3.50%. The friendly team at Abound was even able to refinance our auto loan, slashing our previous interest rate in half! Our monthly savings with Abound is phenomenal.

“Abound...reduced my monthly payment from \$413 to \$196!”

I had some blemishes on my credit report, but have been putting in the hard work and taking steps to correct them. My Abound rep was able to work with his exceptions team to find a solution that would really help me move beyond my past mistakes. I was thrilled when Abound saved me several percentage points on my interest rate and reduced my monthly payment from \$413 to \$196! They even gave me a VISA credit card to help me continue building better credit.

President's Message

Possibilities Abound.

We are Making a Long-Term, Positive Impact in Our Community.

For more than 70 years, Abound has been focused on serving our Members and making a long-term, positive impact on our communities. When you look at the millions we've saved our fellow Kentuckians through lower loan rates, higher savings rates and fewer fees, it's easy to see why we've grown to become the state's largest Credit Union.

We've doubled down on our commitment to our communities by offering financial education to youth, veterans and adults. Our charitable support has also expanded to include new opportunities like ECTC's Military Education Association, which fills important funding gaps for military and veteran students, along with key community partnerships like Baptist Health Hardin and USA Cares. Together, we're building brighter futures for our friends and neighbors and investing in healthier communities.

Are You Enjoying All the Valuable Benefits of Your Credit Union Membership?

If you still have loans or insured deposit accounts at other financial institutions, you may be missing out. The “Calculate Your Savings” tool available on our website can help you quickly compare how your Credit Union's rates stack up against the competition. It's pretty clear that we're way ahead of the pack on both popular deposit and loan products. In fact, some of our certificates offer more than double what other financial institutions pay in Kentucky.

As you'll read later in this newsletter, we've recently expanded Abound's Investment & Retirement Services team to better serve you. I encourage you to spend a few moments taking stock of your financial accounts to ensure you're benefiting from all of the money-saving products and services now available. Thank you for your Membership.

Together, we can make even more possible.
