Improving Members' Lives

Summer is traditionally a time for vacations, family outings or just relaxing. But this summer could be a great time for you to save money by refinancing your auto loan or mortgage with Fort Knox Federal.

Refinancing could save you hundreds of dollars each year and sometimes thousands over the life of the loan. Fort Knox Federal's mortgage and auto loan rates have remained low making refinancing a viable option, not just to save money, but to change lives.

As I mentioned at our Annual Business Meeting in May, we had a member who suffered the tragic loss of her husband. Along with the emotional trauma, she had to deal with the loss of her husband's income. When she realized that she would have problems coming up with more than \$2,000 in monthly household loan payments, she turned to the Credit Union for help.

After a comprehensive review, we were able to refinance the first mortgage on her home and that allowed her to access the \$78,000 in equity she had. With that money, the member was able to pay off all her debts leaving her with a new mortgage payment of just \$650 a month.

So, from \$2,000 a month in bills to a single mortgage payment of \$650—this was a life changing benefit for that member, who had initially turned to the Credit Union in a time of crisis, but left giving staff members a hug.

This member's story is repeated again and again at the Credit Union because our mission is to '...improve the financial lives of our member-owners'. Every day, we help members to make purchases, renovate or otherwise use the equity in their homes to better their lives.

Likewise, we can help you save money by refinancing your auto loans from other lenders. And for a limited time, the Credit Union will pay you \$100 for a qualifying auto loan refinance². That's right, you can get a lower payment and receive an extra \$100²!

Let us see how the Credit Union can help improve the financial quality of your life by stopping by any of our convenient locations or by visiting us online at www.fortknoxfcu.org.
